

Special Use Airspace and Intercept Procedures

Learning about "Airspace" is not for the faint of heart; it can be a little overwhelming. Knowledge of the various type of airspace and its operating requirements tends to be perishable. It's a good idea to refresh yourself on this topic from time to time, and now is your opportunity to do just that.

Flying In - Set your GPS to KBRO, Direct-Enter-Enter; Communicate with Valley Approach; Request Parking at Hunt PanAm FBO

Driving In - From IH-69E, Exit East on Boca Chica Blvd; Turn Right (SouthEast) on Billy Mitchell Blvd; This will take you to the Airport Terminal Parking; To the Left (North) of the Terminal is Hunt PanAm FBO, 505 Amelia Earhart Drive; Free Parking available in front of the FBO

Walking In - Not a good option; Try a Taxi or Ride-Share

A message from the National FAASTeam Manager
