

EAA Chapter 35 VMC Club

In this scenario we will discuss partial flight control loss after a pilot loses aileron control after hearing a loud snap in the cockpit. What would you do?

EAA Chapter 35 VMC clubs are open to ALL interested pilots and aviators of all experience levels. This is an interactive group discussion of a specific scenario and of general safety and learning points led by experienced CFI's. Fly in or Drive in - Everyone is welcome; You don't need to be a member to attend.

If able, you are invited to stay for lunch and topical presentation with EAA Chapter 35 to follow.

Flying In: 8T8. CTAF 122.9. Please park to the North of the EAA Chapter 35 clubhouse (the northernmost building)

Driving In: from San Antonio. Culebra Road between Galm road and Hwy 211. The entrance on the south side of the road, marked with a windsock. Chapter 35 Clubhouse is the first building on the left. Be attentive to construction at and near the entrance.
