

The Santa Teresa Conundrum and Traffic Pattern Gates

The Santa Teresa Conundrum will explore a recent in-flight operational "situation" that could have been a significant hazard - or worse. The presentation on Traffic Pattern Gates will look at a slightly different approach to making a perfect pattern - every time.

Directions: Go West from downtown Granbury on W. Pearl St (377 BR) 2 miles. Turn right at Airport sign onto Howard Clemmons Rd and follow road to terminal on left. Conference room is in the terminal.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
