

Southwest Region FAA Safety Team presents:

15th Annual Cedar Mills South Central Safety Seminar Splash In and Fly In

To register for each seminar, see the additional seminar information section for links to the seminar topics. Door prizes will be presented at every seminar. Plus, each seminar attended will give additional chances to win the grand prize. The Grand prize will be presented at the Octoberfest Saturday evening where guest speaker Bill Gunn from TXDOT will be presenting "WWII Rescue Flight". You must be present to win the Grand Prize.

Directions: The lodge is located south of the air field near the RV park.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
