

## Make Money -- Fly Smart!!!!

Aircraft records are key to maintaining the asset value of your aircraft and to understanding an aircraft's airworthiness condition. What do you need to know about aircraft records as an aircraft owner? What do you need to know about aircraft records as a non-owner pilot?

**Directions:** Go West from downtown Granbury on W. Pearl St (377 BR) 2 miles. Turn right at Airport sign onto Howard Clemmons Rd and follow road to terminal on left. Conference room is in the terminal.
