

## WINGS CFI Forum: Teaching Airport Operations - Part 2

All local area CFIs are welcome to participate in this interactive WINGS CFI Forum and discussion about Teaching Airport Operations. This will be a continuation of last month's CFI Forum led by Jake Huffman. This month, we will go further into traffic pattern operations and communications procedures at both and uncontrolled airports in various kinds of airspace, as well as area arrival and departure procedures with and without available ATC support.

**Directions:** The airport is east of 360 and north of I-20 on Great Southwest Parkway between Arkansas Lane and Mayfield Road. Conference Room is in the Terminal Building.
