CFIs only, please. Regulations and other guidance regarding aircraft records is scattered among various sources. This CFI Forum will discuss (1) the important aspects of aircraft records that CFIs should teach students to ensure they have a good working knowledge prior to the check ride and (2) how to get the records for their training aircraft in good order to facilitate the examiner-student oral discussion.

Directions: The airport is east of 360 and north of I-20 on Great Southwest Parkway between Arkansas Lane and Mayfield Road. Conference Room and restaurant are in the Terminal Building.
