

Stuff Happens: Surviving Accidents

Come on over to hear 2 great presentations you will not want to miss:

- Guy Peers will talk about accident investigations and what we learn from them.
- Doug Steen will share with us his impactful experience after crashing an airplane due to carbon monoxide poisoning and surviving.

FREE lunch provided before the seminar. Your registration through faasafety.gov will be your RSVP and is extremely appreciated for food and seating accommodations.

Directions: From I-20 in southwest Fort Worth, turn South onto TX-377 toward Granbury. Bourland Field (50F) is approximately 10 miles on left. Gate will be open. Follow signs to event. For directions, information about flying in, or for a ride to the hangar after landing/parking, call Carolyn Reisz at 817-705-5952.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
