

Private Pilot Ground School (PPGS)

Introduction to fundamental principles of aviation theory and practical applications. Provides a core body of knowledge necessary to develop aviation-related problem solving, analytical, and decision-making skills. This is a preparatory course for the FAA Private Pilot Knowledge Test. Registration Deadline: 5:00 pm, Tuesday, January 7, 2014

Directions: TCU is in the vicinity of the intersection of University and Berry Avenue in Fort Worth.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
