

Standardized Radio Communications

This will be a discussion about the importance of standardized phraseology on the radio. We will be looking at a couple of the airports in the local area with emphasis on standard radio and traffic procedures and how standardization can benefit all.

Directions: Eat breakfast at the terminal at 0830 then walk over to hanger 900

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
