

FAASTeam presents:

The Dry Line

A discussion of weather patterns in the area with emphasis on the Dry Line and what the impact is on the weather pattern.

Directions: South East end of the Fort Worth Meacham Airport Go in through the front door and turn right, go to the end of the hallway and turn right into the hanger, we will be in the Briefing Room on the south end of the hanger behind the C-47 tail.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
