

## The Killing Zone: How and Why Pilots Die

In another of his excellent CFI Forum presentations, John Krogstad will address how and why pilots die, and the “Killing Zone” that exacerbates flight risks. He will present important considerations for reducing risks, discuss the role of pilot training in risk reduction, challenge common perceptions of certain “rites of passage”, and facilitate a discussion of how we, as instructors, can help students learn how to take ownership of risk management?CFIs ONLY, please!!!

**Directions:** The airport is east of 360 and north of I-20 on Great Southwest Parkway between Arkansas Lane and Mayfield Road. Conference Room is in the Terminal Building.
