

ABC's of Airspace

Denton Finley will explain the ABC's of airspace as well as cover special use airspace, airport surface operations, and runway incursion avoidance.

Directions: This seminar will be located in EAA Chapter 59's hangar located on the McGregor (PWG) airport. The hangar is on the Southeast corner of the airfield. If flying in, you will see EAA59 painted on the roof.

Driving (from I-35): Exit I-35 onto West HWY 6 Meridian Exit). Exit HWY 6 onto Southwest HWY 84 (Waco Drive Exit). Go approximately 13 miles southwest on HWY 84 to the McGregor Executive Airport. When you come through the gate, take the first right past the fuel tanks and follow the road around to the hangar. There is a big sign on the hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
