

Convective Weather for Pilots Part 2

Part 2 will cover convective weather products and obtaining better weather briefings. The FAA is discontinuing some weather products and sources. Learn where to find content from these products. A convective weather checklist will be introduced. There is a fee for this class, contact Collin College at 972-985-3711 for registration information.

Directions: Collin College is just East of Preston Road between Preston Park and Old Shepherd Pl. Check the monitor in the lobby for room number.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
