

Airbus  
2701 North Forum Drive  
Grand Prairie, Texas 75052

Located on the Grand Prairie  
Municipal Airport (GPM)  
(32.70°N / 97.05°W)

AWOS-3	118.475
Tower	128.55
Ground	121.15

Welcome...upon arrival at the AIRBUS main entrance, you will find adequate parking to the right (south) of the helicopter. The pedestrian entrance to the facility (reception) is marked with the red circle in the photograph. You will need to stop at the reception area just inside the glass doors to obtain your visitors badge. If you registered in advance, with your legal name and address, your visitors badge will be waiting for you. If you failed to register in advance, we will be required to run a short background check prior to issuing your visitors badge. Please register in advance, it will make the process much quicker! In both instances, you will need a government issued photo ID to obtain your pass. PLEASE ENSURE YOU HAVE THE REQUIRED PHOTO ID, IT IS ABSOLUTELY REQUIRED FOR ADMITTANCE TO OUR FACILITY. The visitor badges will be collected at the completion of the event as you depart the facility.

Directions to the event location within the facility (AIRBUS Delivery Center) will be provided at the reception desk. It is a 300 yard walk from the entrance of the facility to the actual location of the event.

While AIRBUS is located on the Grand Prairie Municipal Airport (GPM), we do NOT have aircraft parking available within our facility. However, for those who may choose to fly in, there is ample aircraft parking across the field at AVIATOR AIR. AVIATOR AIR (Phone: 972-988-8609) and the GPM Terminal Building are both located on the east side of the runway; Airbus is located on the west side of the runway.

Refreshments (Coffee / Danishes) will be served, helicopters will be on display, and prizes will be awarded throughout the event!
