

N/A presents:

Rusty Pilots

We will discuss how you can get back to being proficient at flying and how to stay proficient whether you fly 5 or 50 hours per year.

Directions: This class is part of the Texas Antique Airplane Association annual fly in.

For more information please visit:

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
