

Tarrant County College Inspection Authorization Seminar

This event meets the criteria for eight-hours training required annually for Inspection Authorization refresher education. Topics include: Batteries, Aircraft Lighting, Torque Wrenches, Inspection of small Turbine Engines, Non-Destructive Testing, Aviation Spark Plugs, Aircraft Tires, Corrosion Control, and understanding ADS-B.

Directions: Tarrant County College Aviation Department is located on Alliance Airport. Driving from Fort Worth, take I-35 exit 66 (Westport Parkway Exit), take a left driving under I-35 and stay in the right lane. Keep straight and take the first right turn – Horizon Drive. Take the second exit on the left that leads to the college.

When driving from the north take the same exit but veer right taking the first exit to the right – Horizon Drive.

The seminar is on the second floor of 2301 Horizon Drive. The building is identified with very large lettering. Parking is in front of the building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
