

Autopilot Pro Tips

You're already a good pilot, but you want to be even better... Learn the common mistakes and pro tips to make your flying safer and easier using autopilots. A must attend seminar for any student, pilot or CFI that uses autopilots in their airplanes. Special focus on IFR use from a Master Instructor and National Expert in autopilot use.

Directions: Redbird Airport(KRBD) Conference Room
5303 Challenger Drive
Dallas, Texas 75237

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
