

Autopilot Pro Tips

If you fly or teach in an airplane with an autopilot this is a must attend class. The top national expert in Single-Pilot IFR using technology will show you pro tips along with requirements most pilots don't know about when and when they can't safely use those autopilots. We will cover Aviydne, Garmin, King, Genesys(S-TEC), Tru-Trak and more.

Directions: CFAA(Central Florida Aerospace Academy) is inside SunNFun at Lakeland Airport. The building is located at the corner of Medulla Rd and Peggy Brown Rd. near the main entrance. The class is free but requires admission to SunNFun. For more information please visit <https://www.flysnf.org/sun-n-fun-intl-fly-expo/admission-rates/>

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
