

Autopilot Pro Tips

Come learn important safety and pro tips on how to use autopilots safely. This important class will cover important features and critical limitations that many pilots don't know. We will cover Avidyne, Garmin, Genesys(S-TEC), King, Tru-trak and more.

Directions: AOPA is located next to the FAA Building on Laird Blvd (NE Exhibits 48-62) The class is free but requires admission to SunNFun. For more information please visit <https://www.flysnf.org/sun-n-fun-intl-fly-expo/admission-rates/>

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
