

NTX FSDO presents:

# ForeFlight IFR Real World Pro Tips

A must-attend class for any instrument student, pilot, or instructor that uses ForeFlight while flying IFR. The only class that covers the most common mistakes that good pilots make, including what features you should never use and better ways to plan and fly with pro tips from the top IFR expert with 2 decades and over 8,300 hours of real-world experience. Laugh and learn with Gary "GPS" The Guy in The Pink Shirt Reeves, the 2019 FAA National CFI of the Year, ATP/MCFI, and a lead rep for the FAASafety Team.
