

Mastering GPS Procedures

This is a must-attend class for IFR students, pilots, and instructors that want to gain a Mastery Not Minimums level of knowledge in the critical distinctions between LNAV, L/VNAV, LP, LPV +V, and RNP approaches. We will cover the importance of having the correct ICAO codes, and the most common errors that good IFR pilots and CFIs make when flying RNAV approaches, SIDs, and STARs.

Directions: This is a free class included with admission to Airventure. For info on purchasing tickets that supports the non-profit EAA please visit:
