

Using ForeFlight in an Emergency

How to use your iPad quickly in emergency situations

This is a must-attend class for good students, pilots, and instructors that want to gain a Mastery Not Minimums level of knowledge using ForeFlight to make emergency management easier and safer.

Prior to attending a safety seminar, please review and abide by current CDC, State, and Local health guidelines.

Directions: This is a free class included with admission to Airventure. For info on purchasing tickets that supports the non-profit EAA please visit:
