

NTX FAAS Team presents:

McGregor/Waco EAA Chpt 59 IMC/VMC Safety Club - Pancake Breakfast

A Fly-In "Pancake Breakfast" and educational event is planned for Saturday, February 11, 2023 at McGregor Executive Airport (KPWG). The FAASTeam - WINGS Program will begin at 10:00 AM following breakfast served beginning at 8:30 AM. .

The combustion engine in the airplane you fly creates colorless and odorless carbon monoxide (CO). This CO can inadvertently enter the cabin area and pose a serious threat while flying. Learn more about this potentially deadly and silent killer and how you can improve your chances of not having carbon monoxide poisoning happen to you.

Everyone is invited to register and attend as membership is not required. Some will choose to fly in and others may choose to drive. There is ample parking for both airplanes and cars

Directions: Fly-in aircraft are requested to park on the transient ramp. The FBO can give directions to the EAA hangar. Vehicles enter from the gate, then first right and straight ahead to Chapter 59 Hangar.
