

## ForeFlight Workshop 5 - Flight Planning with EFB

The fifth in this workshop series will offer comprehensive training on the use of ForeFlight, with a focus on essential regulations and techniques for flight planning, Federal Aviation Regulations (FARs), Aeronautical Information Manual (AIM) content, and aeronautical decision-making (ADM).

The workshop's pace will be reasonable. Attendees can ask questions and contribute their own tips and tricks. Attending will undoubtedly enrich your understanding of ForeFlight while learning from other pilots' collective knowledge.
