

Advanced Aviation Mixer

AUVSI (Association for Unmanned Vehicle Systems International) a 501c non profit is partnering with the North Central Texas Council of Governments and FAA Safety Team representatives to engage Advanced Aviation stakeholders. We'll discuss integration issues, safety interests and policies. Several influential speakers will share success stories and latest trends in the industry.

AUVSI Lone Star is dedicated to professional development, networking, public outreach and advocacy in support of advanced aviation systems with a focus on the Texas region.

Texas has hundreds of companies working on the advancement, development and production of uncrewed systems. Applications range from household & consumer items to civil and military applications. Uncrewed technologies provide everything from infrastructure inspections to search & rescue missions to improve our quality of life. By taking on all manners of dull, dirty and dangerous jobs Advanced Aviation Systems help efficiencies & enhance our lives.
