

CFI Seminar Prepping the Applicant

At this FAASTeam meeting, we'll be discussing that important last 3 hours of "checkride prep" and some of the shortcomings that have been seen during flight exams. This is the first in a series of small group sessions for CFI's.

Enter the main terminal, take the main stairs or elevator to the second floor, turn right at the top of the stairs and go down the hallway to the Golf Aero classroom on the left.
