

## EAA Chapter 323 Monthly VMC Club Meeting

The EAA VMC Club offers a "hangar flying" experience, organized around visual flight, to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and a group discussion about unusual or interesting aviation scenarios, changes in rules and procedures, and member experiences. We also have occasional guest speakers.

**The scenario we will discuss at this meeting is:** *What's in a Pre-takeoff Briefing? After completing your run-up and passenger safety briefing, you're ready to taxi to the hold short line of the active runway. What additional items should you now address as part of your pre-takeoff briefing?*

All are welcome. You do not need to be an EAA member to attend. We will also be discussing how you can earn **WINGS** Credit. Bring yourself, your experiences, and your questions.

**Call Mike McLendon @ 404-825-4795 or Adam Sipe @ 708-603-5132 if you have any questions.**

The VMC Club meeting will commence after the monthly Texoma Aero Club (TAC) meeting & pancake breakfast at the North Texas Regional Airport (KGYI). The TAC and EAA 323 VMC Club meetings are open to the public.

If flying in, taxi to the executive hangars adjacent to the Alpha taxiway north of the tower. There is a Texoma Aero Club sign on the hangar. If you are driving in, you can go to the Rise FBO to be let through the gate and proceed to the executive hangars. If you have a gate code, enter on Don Ort Drive, then turn right to access the executive hangars.
