

## ForeFlight IFR - Use in Emergencies

Not theory, but real world examples that no one else teaches on how you can set-up and use **ForeFlight** quickly to help save your life in engine failures, fires, and more! See the real world video of FF in a major flight control malfunction and how it was used to safely land!

This is a free live class (NOT ONLINE) included with admission to EAA AirVenture. For info on purchasing tickets that support the non-profit EAA, please visit:
