

Women in Aviation North Texas Chapter - Establishing YOUR Personal Minimums

Event Details

How do you feel about your upcoming flight?
Comfortable or having some concerns?

Establishing realistic personal minimums can help you make honest actionable decisions before and during a flight that facilitate sound Aeronautical Decision Making (ADM)

The presentation / discussion will examine why professional flight departments / organizations utilize structured operational procedures and how similar practical methods can be established / adjusted for your specific needs.

Who should attend? Any pilot; new, seasoned or students alike – all are welcome.

This session will also include an informational overview of the FAA WINGS Program

Sat, Aug 23, 2025 at 16:00 CDT
