

EAA Chapter 323 Monthly VMC Club Meeting

Join us for an engaging presentation exploring the FAA's new Modernization of Special Airworthiness Certification (MOSAIC) rule that went into effect on **October 22, 2025**. This new regulation represents the most significant update to light-aircraft certification and pilot privileges in decades.

Whether you're a Sport Pilot, Private Pilot, or simply curious about how these changes will affect your flying, this presentation will provide clear, practical guidance for all pilots.

From US75, take the Houston/Lamar Street exit. Drive east on Lamar Street, then turn south onto TX-11 (Dewey Avenue). Drive past Hawn Park and turn into the Sherman airport parking lot.
