

## CFI-DPE Seminar Starting the year off right!

At this FAASTeam meeting, we'll be discussing training pearls of the ACS. Often, key points are being missed by the CFI. This will be a good opportunity to participate in a open forum style seminar with a DPE to learn the important factors of success and the pitfalls of inadequate training.

Arrive at the CAF Hangar. There will be gate attendant to allow access to the parking lot.

### A message from the National FAASTeam Manager
