

# Cockpit2Cowl How To Crash An Airplane With Brian Schiff And Jeff Simon

**This month, we will discuss the critical aspects of forced and precautionary landings off-airport. We will focus on key factors in a crash landing.**

“Cockpit2Cowl” with Brian Schiff and Jeff Simon is a program that explores General Aviation safety topics from the combined perspective of Flight Instructors, Pilots, and Mechanics, exploring both man & machine to make aviation safer and more enjoyable.

Attendees will learn about topical maintenance subjects, how to manage maintenance, how to handle emergencies, and how to improve communication between pilots and mechanics.
