

North Texas/Texoma Area CFI Conference

John Halterman and Adam Sipe, both ATP's, CFI's, and FAASTeam representatives, will hold a regional safety meeting. We are asking CFI's (both current and aspiring) to attend to review safety concerns CFI's may have and/or concerns aspiring CFI's may have as the journey from student to instructor. In addition, we will provide some of our experiences/lessons learned as pilots and instructors with thousands of hours of instruction and flying.

Proceed North on I-75 to H-82 exit and head west look for sign Grayson county airport (GYI). Rise aviation is located by the control tower. Proceed to the conference room next to main entrance

A message from the National FAASTeam Manager
