

Cockpit2Cowl with Brian Schiff and Jeff Simon Summer Is Here - Thunderstorms Turbulence and Temps

Event Details

This month's topic will be a discussion on beating the summer weather. From thunderstorms and turbulence to sizzling heat, summer offers some of the biggest challenges for pilots and mechanics.

“Cockpit 2 Cowl,” with Brian Schiff and Jeff Simon, is a program that explores General Aviation safety topics from the combined perspectives of Flight Instructors, Pilots, and Mechanics, examining both man & machine to make aviation safer and more enjoyable.

Attendees will learn about maintenance topics, how to manage maintenance, handle emergencies, and improve communication between pilots and mechanics.
