

## How to Mitigate Pilot Deviations in the North Texas District

Join us for an informative FAA Safety Team Seminar focused on understanding and mitigating pilot deviations within the North Texas district.. We'll discuss common causes of airspace deviations, communications errors, and other operational issues, along with practical techniques and best practices to help pilots improve situational awareness, decision making, and regulatory compliance.

Whether you're a student pilot, flight instructor, or experienced aviator, you'll leave with actionable strategies to reduce risk and enhance the safety of every flight.

**Coffee and doughnuts will be provided.** We look forward to seeing you there!
