

EAA Chapter 323 Monthly VMC Club Meeting

Come for our monthly pancake breakfast and make it a morning at the airport—bring your friends and family! Drive in or fly in and connect with fellow pilots in a relaxed, welcoming environment.

This presentation provides an overview of the FAA's DFW Metroplex airspace modernization changes that became effective on July 9, 2026, including updates to the Class D and Class E airspace surrounding Alliance, Meacham, and NAS JRB. It explains the operational impacts, new airspace boundaries, and key considerations pilots should understand before flying in the western DFW Metroplex.

All are welcome! You do not need to be an EAA member to attend. We will also be discussing how you can earn **WINGS** Credit. Bring yourself, your experiences, and your questions.

The event will be approximately 2 hours with a 1-hour safety presentation.
