

EAA Chapter 34 Oct IMC/VMC Club and Pancake Fly In

Come join fellow pilots for an engaging morning at the airport!

During this meeting, attendees will review specific VMC and IMC flight scenarios. The primary learning objective is to develop and refine Aeronautical Decision Making (ADM) and Risk Management skills. Participants will learn how to better identify hazardous weather conditions, apply strategies to prevent VFR-into-IMC, and review techniques to mitigate Loss of Control (LOC) and Controlled Flight Into Terrain (CFIT) through collaborative discussion.

Note: Pancakes will be available starting at 8:00 AM. The official safety meeting and scenario discussions will begin promptly at 9:30 AM.

Combined event will be approximately 3 hours.
IMC/VMC Mtg will be approximately 1 hour.

Coffee, Soft Drink and Water will be available.

Flying In:

Set your destination to Arlington Municipal Airport (KGKY). KGKY is a Class D airport underneath the DFW Bravo with a field elevation of 628 ft. The primary runway (16/34) is 6,080 feet long.

- Tower: 128.625
- Ground: 121.875

After landing, taxi to the ramp directly in front of the main Terminal Building, which is located just north of the FBO. Make sure to check NOTAMS for the airport.

Driving In:

The Terminal Building is located at 5000 S Collins St, Arlington, TX 76018, just south of Interstate 20.

- **From TX-360 (North or South):** Take the exit for **I-20 West**.
- **From I-20**, take the exit for **Collins St (Exit 451)**.
- Head **South** on S Collins St for approximately 0.8 miles.
- The airport entrance will be on your right. Navigate to the main Terminal Building.
- Ample parking is available in the lot immediately to the east of the Terminal.
