

Dancin with ATC - The Art and Science of ATC Communication

Good aviation radio technique need not be a great challenge or cause pilot anxiety.

It's actually kind of fun, once you get the hang of it.

Come join us and learn a few neat techniques that can help you become a better "communicator", improve

safety, competency, proficiency and your and overall flight enjoyment.

10-4! Say what? Roger that! Wilco! Cheerio! Oh ANG! Was that for ME???"
