

Accident Prevention

Aircraft accidents are often tragic events, especially when there is a loss of life. By reviewing this fatal accident we gain some insight into circumstances that might have contributed to yet another senseless, avoidable catastrophe.

What went horribly wrong -- wrong enough to take the lives of a young family?

From Dallas, take I-35E south to US 287 west. Exit at Rex Odum Drive on the right and stay to the left. Turn right on Airport Drive.
