FAASTeam presents:

EAA Chapter 323 Monthly VMC Club Meeting

Come hungry for pancakes and wisdom as we test your aviation knowledge and decision-making skills at this month's pancake breakfast and VMC Club meeting.

This engaging, trivia-style session will explore real-world aviation scenarios that cover common knowledge gaps and operational challenges pilots encounter in everyday flying. Topics include airspace and regulations, aircraft performance, weather, airworthiness, emergency procedures, and aeronautical decision-making (ADM).

Whether you're a student pilot preparing for your first solo or an experienced aviator with thousands of hours, this session offers an opportunity to sharpen your skills, reinforce safe operating practices, and discover something new.

Come hungry, bring your experience, and join us for a morning of pancakes, pilot camaraderie, and aviation safety!
