

FAASTeam presents:

Safety Trends in GA, VFR to IMC

We make the same mistakes over and over, inspite of advances in technology in the cockpit we still manage to hurt ourselves and our passengers. Learn how to arrive alive every time. Snacks will be provided.

Directions: Terminal/FBO Lobby

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
