

REMINDER-Take-offs, Approaches and Landings, Sharing the traffic Pattern with the Military.

This is an evening seminar to be held at the SELEX GALILEO facility on Stennis Int. Airport. We will participate in discussion lead by the FAA Safety Team on take-offs, approaches and landings the most critical phases of flight. Additionally, will be a safety Briefing and discussion with the Chief of Safety for the USAFR 403WG. "Sharing Your Traffic Pattern With The Military." A great opportunity to improve safety and efficiency.

Directions: Driving: I-10 to exit 13. Then North on 43/603 to Airport Rd. West on Airport to Fred & Al Key RD. Turn north on Fred & Al Key. Selex is 1/4 mile on the left. Flying: Land at KHSA and taxi to the Selex ramp area at the North end of the East ramp.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
