

When should I say no to Icing?

This event will cover the weather that is to be expected in winter. This event will be revealing on what to watch out for and how to avoid dangerous situations. The kinds of icing and the danger that is posed from them will be talked about, and also a look at the accidents that have been caused from these situations. Come learn how to safely fly in winter weather conditions, but also learn when to say "No".

Directions: Coming from Memphis, take 385 to Hacks Cross. Proceed south across Shelby Drive and State line road to Olive Branch. The airport is on the left just passed the rail road tracks on Hacks Cross. Turn left on Airport road and go all the way to the dead end, the building is on the right.

A message from the National FAASTeam Manager
