

# Unmanned Aircraft Systems: The process of integration into the National Airspace System

This is a great opportunity to discuss what steps the FAA has in place to safely integrate Unmanned Aircraft Systems into the National Airspace System. Whether you are a hobbyist or a commercial pilot, this topic is of interest to us all. Come join in on the discussion.

**Directions:** The Airport is 2 miles south of the town of Gonzales, LA.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
