

FAASTeam presents:

Loss of Control

Loss of control root causes, results, and corrective actions.

Directions: From I-20 exit US61 South, proceed 5.3 miles on right; continue about 3/4 of airport road circle to white building on the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
