

## Spatial Disorientation

This will be a presentation given at Southeast Aviation with food and drinks provided for attendees.

**Directions:** From US Hwy 49 take J.M. Tatum Industrial Drive past the railroad tracks to Academy Drive. Turn right onto Academy Drive then turn right onto the street just before the fighter jets on static display. The FBO is at the end of that street. From US Hwy 98 take R.L. Runnels Industrial drive North to J.M. Tatum Industrial Drive. Turn right on J.M. Tatum Industrial Drive and go past the railroad tracks to Academy Drive. Turn right onto Academy Drive then turn right onto the street just before the fighter jets on static display. The FBO is at the end of that street. Fly in attendees should come to the Southeast Aviation FBO.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
