

## What to Know about ADS-B

This will be a live PowerPoint presentation with a discussion of the ADS-B equipment requirements for the 2020 mandate and a look how the system works as a whole.

There will be refreshments provided at 6:00 pm with the presentation starting at 6:30 pm.

**Directions:** This meeting will be held at Trent Lott International Airport in Moss Point, MS. From Interstate 10 take exit 69 (Moss Point, MS) and go North on Hwy 63 for about a quarter mile and turn right on Saracennia Rd. and go to the main terminal drive for the airport. The meeting will be held in the hangar immediately South of the terminal building.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
