

## Louisiana Tech Quarterly Safety Meeting

Roger Taylor will give a general aviation safety briefing on what the FAA and Louisiana Tech consider current important safety challenges. Mr. Taylor will also cover a few general aviation accidents which are pertinent to our environment here in Ruston. Mr. Larry Wells, FAA Safety Team Program Manager, will present on various aviation safety-related topics.

**Directions:** If traveling East or West on I-20, take Exit 84 and proceed South on Tech Drive. Pass through three lights, then take your next left at Hergot. Davison Hall is the second building on your right. If driving North or South on Highway 167, turn West on California (south part of town) and proceed to the corner of California and Bond. Davison Hall sits at the NW corner of California and Bond.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
