

Transition to Another Aircraft

We will discuss the pitfalls of transitioning to a new aircraft, either up or down in complexity, and some suggested ways to offset the dangers. Please register at the table in the hall just outside the room and order your food at that time. The meal is \$15, you have a choice of two types of sandwich, drink a side and desert are included. Eating is not required but, it will help insure we can continue to use this facility. A donation bucket will be available to help defray the cost of the room, if you care to.

Directions: Ridgewood Road is off Lakeland Drive (Hwy 25), about a mile East of I-55. The meeting will be in the Ridgewood Room, located to the left after coming in the covered entrance.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
